Summary

- A translation of Cadeau de la Saint-Valentin PikEat! by MiaQc

"Hey, Vince!" Said Rody, smiling and blushing. "I got your Valentine's Day present!"

"Oh?" Vincent says, surprised because he's not interested in holidays being celebrated during the year. "Thank you, darling."

"Come on, open it!" Rody insists.

"All right." Says Vincent. He opens the gift. "Oh, a chocolate box." But the box moves. "What the...?" He opens the box. A Purple Pikmin is inside! "What are you doing here?" It's eaten all the chocolates. "And since when do Pikmin eat chocolate?!"

"Noooooo!" Said Rody. "Your present's ruined!"

"That's okay." Says Vincent, as he places the gift on a table. The Purple Pikmin purrs with delight. "It's the thought that counts." He kisses his lover, who blushes even more. "Besides, you do remember that I can't taste, right?"
